

SPARK AAX

(Matrix Code: **SPARKAAX.00** for StartOver.xyz game.)

DISTINCTION: If people love you, they put you on a higher position.

NOTES: to be successful build relationships, if you build relationship, people love you. If people love you, ego eats the love. If ego feeds then the purpose of success is to feed ego, not Bright Principles, then it is personal. The Principles cannot work because the space is filled up. Success needs to be impersonal. The solution: empower people more. Be authentic. Make more mistakes. Be scared, be confused, be real and not perfect. Be normal. Then the pedestal of success is destroyed. Thus, ego cannot feed and your success feeds Bright Principles, and your success is authentic.
