

SPARK 233

(Matrix Code: **SPARK233.00** for StartOver.xyz game.)

DISTINCTION: Delivering your Nonmaterial Value opens your place in Archiarchy.

NOTES: Modern culture places its highest value on material objects. This culture also values [hoarding the medium of exchange](#) used for obtaining those objects. People who do whatever it takes to surround themselves with material comforts – such as city-dwellers – are burdened with making sure that financially-captured slaves continue producing, delivering, and maintaining their luxurious foods, shelters, clothing, technology, and modes of transportation, while [ignoring](#) the [damage](#) these activities cause to ‘less-developed’ countries, future generations, the ecologies of Earth, and their own soul.

Other cultures are possible for you, even if modern culture is not aware of them. For example, [Archiarchy](#) is [rapidly emerging](#) around the world now that [Matriarchy and Patriarchy](#) have run their course. Archiarchal Cultures center themselves around authentic [Adulthood](#) and [Archetypal Initiatory Processes](#), [Radical Responsibility](#), and coordinated [ecological regeneration](#). But what is your place in Archiarchy? And how can you get there? This S.P.A.R.K. is a [Doorway](#) for finding your place in Archiarchy through delivering your [Nonmaterial Value](#).

Modern culture can only run when its citizens deliver the services of modern culture’s Specialty-Skill-Infrastructure as teachers, lawyers, secretaries, police, engineers, doctors, nurses, airline pilots, baggage-handlers, programmers, truckers, car-repair guys, grocery store clerks, hamburger flippers, soldiers, priests, farmers, politicians, administrators, corporate managers, etc. The Tax Office publishes a list of the standard modern culture jobs, without which, modern culture grinds to a stop.

The [Specialty-Skill-Infrastructure](#) that brings Archiarchy to life is barely even started. It is mostly unoccupied space at this time, and will remain open as an infinite opportunity, because Archiarchy professions [Radically Rely](#) on [Infinite Resources](#), such as [Bright Principles](#), [Archetypal Lineage](#), [Stellated Feelings Archetypes](#), [Earth Coincidence Control Office](#) (E.C.C.O.), [Nothingness](#), [Attention](#), [Possibility](#), [Clarity](#), [Love](#), [Matrix](#), [Context](#), [etc.](#) This means new Archiarchy professions will continue to be [Invented](#) because there are no resource limitations for developing [Consciousness](#) or for taking [Responsibility](#).

No profession from modern culture is [Contexted](#) and [Purposed](#) in Archiarchal [Distinctions](#) and [Traditions](#). Therefore, every profession needed for daily life in Archiarchy is an entirely new [gameworld](#) waiting to be [built](#): by you! Archiarchal professions include, for example, [Possibilitator](#), [Rage Club](#) or [Fear Club](#) [Spaceholder](#), [Possibility Coach](#), [Possibility Mediator](#), [Possibility Psychologist](#), [Memetic Engineer](#), [Whole Permaculturist](#), [New Refugees Spaceholder](#), [3 Phase Healer](#), [Gremlin Transformer](#), [WEConFest Spaceholder](#), [Possibility Trainer](#), [Adult Egostate Decontaminator](#), [Earth Guardian](#), [Evolutionary](#), [Village Weaver](#), [Gaian Gameworld Builder](#), [Archiarchy Economist](#), [Adulthood Initiator](#), [Torus Technology Spaceholder](#), [Gameworld Consultant](#)... What is your [Archiarchy profession](#)?

CAUTION: Certain genius [Edgeworkers](#) market themselves as being a ‘leader in the evolution-of-consciousness movement’. These are the ‘*Handsome-Hypercool-Tribal-Holy-Workshop-Man*’ or the ‘*Angel-Goddess-Enlightened-Tribal-Workshop-Woman*’. They only deliver their ‘exclusive’ Podcast to paying listeners. This ‘cautionary’ note is NOT that these people are rip-off-artists. It is that these good-hearted people are probably using outdated [Thoughtware](#) when they define themselves as a ‘leader’ trying to gain more-and-more ‘followers’ to give them ‘enough money to live’ – which means they are stuck in the methods and catechism of modern culture.

You are rich in [Nonmaterial Value](#) – potential which can be delivered without depleting organic or mineral elements on Earth. Others already appreciate the [Possibility](#) you can open for them. It is, in fact, *you* who is in your way now. How can you shift out of the modern culture paradigm of working in a job to make more weapons or widgets that support the medical-military-industrial complex? The answer is: deliver you Nonmaterial Value until you do not have enough time for your job.

[Archans](#) use innumerable transactional currencies. By valuing Euros, Rubles, or Yuan at the center of your [Gaian Gameworld](#), you contaminate your Gameworld. [Archiarchal Economics](#) begins by providing Value first, rather than waiting around for a contract in which someone will pay you to work. This frees you to create the Value you were born to create. You become ecstatic [Creation](#) in action. Creating Value first and ongoingly, for no [Reason](#), simultaneously tilts the balance of Value in your favor, meaning, the Universe then owes *you* Value. You use the Universe as your Value Bank.

For example, let us say that your [Teams](#) identify part of your Value as your ability to [Listen](#), to [Notice](#), to [Go Nonlinear](#), and to [Cause Transformation](#). You then join the [EHP Collaboration Telegram Group](#) (the online [Emotional Healing Process Dojo](#)) and deliver 100 free EHPs, asking each Client to give you ruthlessly self-honest [Feedback and Coaching](#) after each session. You post clear descriptions of the ‘Gold’ you discovered as an EHP Spaceholder in that group so that others can benefit from your research. In this way you are already trying to [Replace Yourself](#). Meanwhile, you study the [Process](#) website and the [Create Possibility](#) website, especially the 100+ actual EHP video sessions at the [Create Possibility](#) website. Yes, you study ALL of them, with your [3Cell](#) or your [Team](#), stopping the videos to explore why or why not the [Possibility Coach](#) said or did what they did and what it caused or avoided causing. You [Practice](#) to an *absurdly* effective EHP skill level. No one can do this for you. More interestingly, *no one can stop you from doing this!* By becoming absurdly effective at delivering your Nonmaterial Value, the Universe notices. More Clients will request Processes than you have time for. Then you must start charging for your sessions. Keep going like this until you no longer have time to work at [your job](#). Then you retire from modern culture because your [Adulthood](#) life in Archiarchy [has already begun](#). Similar steps are taken to implement *any* new Archiarchal profession. (Much more info and experiments are given online at the links in this S.P.A.R.K...)

As the character ‘Lester Bangs’ in the film [Almost Famous](#): Philip Seymour Hoffman says, “*The only true currency in this bankrupt world is what you share with someone else when you are uncool.*” One of the coolest places to share what is going on with you when you are ‘uncool’ is the [EHP Collaboration Team / Telegram](#).

EXPERIMENTS:

SPARK233.01 USE YOUR TEAMS TO DISTILL YOUR NONMATERIAL VALUE

Meet with your [Possibility Team](#) and announce that you are ready to activate your Nonmaterial Value. Study the [Nonmaterial Value](#) website together. This will require several meetings. Do ALL of the Experiments together. (Make sure to record your Matrix Codes at [StartOver.xyz](#)). Demand that your Team be Honest and unmerciful with you about healing your [Energetic Blocks](#), [Mixed Emotions](#), and [Emotional Fears](#) – by being [Honest](#) and [Unmerciful](#) with them. This adds immeasurably aliveness to your Possibility Team. Distill for each other, in actuality – not merely on paper, the Value you would love to deliver even if you do not get paid. **NOTE:** You may be so exhausted trying to survive in modern culture that it may be difficult to imagine what would turn you on so much that you would actually do it ‘for free’. Find out what that is, and then prove you can do it. This kind of ‘Work’ gives you energy instead of taking energy away from you!

SPARK233.02 JUST FOR THE HELL OF IT, DELIVER 100 FREE EMOTIONAL HEALING PROCESSES ONLINE OR OFFLINE

For each EHP you deliver, write in your [Beep! Book](#) which number it is, the date, the Client’s name and email address (add their email to your Newsletter Recipient Database to build [Your Circle](#)), their presenting issue or question, and details of the [Process](#) you [Navigated](#) for them. Then also write down exactly what they say as Feedback and Coaching for how you can improve your next Client’s EHP experience with you. Practice delivering your Nonmaterial Value to an absurdly effective skill level. Astonish yourself. This is what having a human life is for!

SPARK233.03 INTERVIEW SOMEONE FROM ARCHIARCHY

Connect with an [Archan](#) and arrange to video-record an intense little [Interview](#) journey together. During the interview, fiercely maintain your Purpose of finding out what Nonmaterial Value they provide? How did they discover it? How did they develop it? How do they deliver it? And how does this bring Archiarchy to life? Publish your video interview on your Archiarchal website.

SPARK233.04 BUILD AN ARCHIARCHAL WEBSITE THAT FRAMES UP YOU AND YOUR NONMATERIAL VALUE OFFERS

Constructing your [Archiarchal Nonmaterial Value Website](#) builds the specific kinds of [Matrix](#) in your [Being](#) that supports you delivering your Nonmaterial Value. Remember: the sense of ‘value’ in the Values that you personally value, comes directly from the Matrix you have built. Be sure to provide on your Archiarchal website: 1. Action photos of you delivering your Nonmaterial Value, 2. Background Context about what your Nonmaterial Value causes for people, Teams, and Projects, 3. A few customer satisfaction and amazement quotes to build credibility, 4. Links to further resources for your readers – which also interconnects your website with other Nonmaterial Value websites in a global network of Archiarchy Nonmaterial Value providers, 5. Links to your online [Articles](#), [Interviews](#), and [Books](#), and, 6. A form for the reader to register for your monthly [Newsletter](#)! Creating your Archiarchal Website also helps you to [Cavitate](#) and inhabit your place in Archiarchy.
