

SPARK ABU

(Matrix Code: **SPARKABU.00** for StartOver.xyz game.)

DISTINCTION: Nothing happens all by itself, but everything through practice and discipline.

NOTES: Persistently training yourself in impeccability and paying attention to details refines the human body so that it can serve as a tool of responsible Bright Principles. Listening or speaking as a space does not give you permission to slack off and blame circumstances for the outcome. Quite the contrary is true.
