

SPARK ADV

(Matrix Code: **SPARKADV.00** for StartOver.xyz game.)

DISTINCTION: Sacrifices are fierce weapons against sleep and self-love

NOTES: The sacrifice of the idea that I can do anything about the way I am.

The sacrifice itself is the reward, the recognition of the lawfulness of it. We love into resonance with the work.

Reward is always something transcending the moment – all there is, is this moment.
